Japanese Business Etiquette

CULTURE SEMINAR

An interactive seminar designed to introduce professionals to Japanese business etiquette and culture.

Learn how to greet Japanese people

What is the most important thing to do when greeting a Japanese person? You will learn important knowledge about Japanese greetings that you will be able to use in your next interaction with a Japanese client or colleague with confidence.

Learn what you need to build relationships

What do you need to build lasting relationships with your Japanese colleagues/clients? You will learn about Japanese business culture and behaviors as well as practical survival tips to help you build trusting relationships in the workplace.

Be prepared for what to do next

Now that you've met, what should you do? This workshop is designed to build your confidence in your ability to work effectively with Japanese people. Essential phrases are practiced in fun and interactive sessions!
